

### Input

Fully customizable and integrated score entry screens have flexibility to make the process of returning scores easy and informative. Features and options include:

- Easy Navigation
- Scrolling Member Look-up
- Touch-Screen Technology (not required)
- Score Ticker to Enhance Peer Review
- Complete Area-Wide Ratings
- View Player Score Records
- Quick Course Handicap Conversions

### Management

The management module provides superior control and customization of the club's membership information and the way the system can be used. Features and options include:

- Membership Modifications and Transfers
- Complete Scoring Record Review and Editing (including up to a full year of scores for all members)
- Tutorial and Help Files
- Versatile Score Entry and Club Settings
- 12 Month Handicap Index Archival
- Optional User Definable Fields
- Hole-by-Hole Score Collection (which can be imported for Handicap Allocation Analysis)
- Rapid Score Entry for Multiple Players/Rounds
- Set Area Course from Supplied Data Base

### Transmissions

Communicate your score with a national network of over 9,000 clubs.

### Reports

Within the management module is an outstanding report generator that has the ability to generate reports on any of the club's information. The ability to modify and customize reports to fit the needs of any club is a strong feature of the system. Reports can be exported in multiple formats such as Word Document, Excel Spreadsheet and HTML for web sites. Features and options include:

- Dozens of Standard Report Formats
- Creation Wizards for Savable Report
- Designer uses Windows Based Font Library
- Report Export Flexibility
- Logo Insertion
- Local Handicap Sticker Printing (Optional)

A wide range of standard reports is available along with a flexible custom report designer.
